To,
MANAGING DIRECTOR
BHARAT COAL GASIFICATION AND CHEMICALS LIMITED
7TH FLOOR COAL BHAWAN PREMISE NO-04 MAR,
PLOT NO-AF-III, ACTION AREA-1A,
NEWTOWN, RAJARHAT, KOLKATA-700156

Sub: Proceedings of the 37th HLCA meeting held on 28/11/2024

Dear Sir,

The High Level Clearance Authority (HLCA) in its meeting held on 28/11/2024 has considered the proposal of **M/s Bharat Coal Gasification and Chemicals Limited** to set up a manufacturing unit from High Ash Coal to Ammonium Nitrate Plant with annual capacity of 6,60,000 MT at Lakhanpur, Jharsuguda with a total investment of Rs. 11,782.05 Crores and approved "in principle" the proposal with the following standard conditions:

1. The company will clear arrear dues if any, of Government Department(s) before allotment of land for the project.
2. No raw material linkage / assurance from the State Government shall be provided.
3. The project should not be located on mineral bearing area or command area of any irrigation project.
4. The company will submit its action plan for implementation of the proposed project to IPICOL within 90 days of the communication of approval of High Level Clearance Authority (HLCA).
5. The company will submit detailed land use plan. Allotment of land to the project is subject to assessment by IPICOL (considering the benchmark report wherever available) or as required by the company, whichever is lower. The company will follow the prescribed procedure of IDCO for final allotment.
6. The allotment of water quantity is subject to assessment by IPICOL (considering the benchmark report wherever available) or as required by the company, whichever is lower and as per norms of DoWR/IDCO/ IPICOL.
 - i. The company shall install IoT flow meter in the water drawl pipeline as per guidelines of DoWR.
 - ii. The company has to do agreement for water drawl with the concerned division of DoWR and upload the same in the IWCRM portal of DoWR.
7. The company has to obtain all statutory clearances as may be required & abide by the conditions/stipulations made there under.
8. The company shall strictly comply with the State employment norms, R & R Policy and other related policies of Govt. as applicable from time to time.
9. The company must take up CSR activities in the locality in consultation with the District Collector. Besides, the company shall comply with the extant rules and policy issued by Govt. from time to time, and register itself on the GO CARE portal of IPICOL.
10. The promoter(s) of the company shall not divest/dilute either directly or indirectly their shareholding to less than 51% until 3 (three) years from the date of commencement of commercial operation without the prior approval of the Govt.
11. Use of fly ash bricks is mandatory for all the construction that the company may take up.
12. Rain water harvesting and ground water recharge is mandatory for industrial establishment.
13. Company to generate renewable power as per OERC regulations.

M

14. The company should make adequate provisions for parking of the transport vehicles required for their operations to ensure that project related vehicles are not parked within 500 meters from any National Highway/State Highway.
15. The project shall not be located within 500 meters from the centre of the road on both side of any NH or SH or from the bank of any river / reservoir.
16. The applicant company will not transfer the project to another company until the project goes into commercial production, unless:
 - i. The transfer of the project takes place under a court order or statutory pronouncement.
 - ii. When the change of name of the company is taken up under the provisions of Section 13 of the Companies Act, 2013.
